Section II – Recognition

The City hereby recognizes the Association as the exclusive representative for those employees employed by the City in the classifications referenced in Appendix A of this MOU, subject to the applicable provisions of the law.

Section III – Purpose

It is the purpose of this MOU to promote and provide for harmonious relations, cooperation, and an understanding between the City and the employees covered herein, to provide an orderly and equitable means of resolving any misunderstandings or differences which may arise under this MOU; and to set forth the understanding of the parties reached as a result of good faith negotiations.

Section IV – Nondiscrimination

- A. The parties mutually recognize and agree to fully protect the rights of all employees to join and participate in the activities of the Association or to have the Association represent them in their employment relations with the City. It is further agreed that nothing herein shall prohibit an employee from representing himself/herself individually or appearing on their own behalf with the City. No employee shall be intimidated, coerced, restrained, or discriminated against because of the exercise of these rights.
- B. The provisions of this MOU shall be applied equally to all employees, and no person shall be benefited or discriminated against in any manner which is inconsistent with the standards set forth in federal and California statutes or with any ordinance, resolution, or rule of the City. Alleged violations of this Section (IV-B) are not grievable under the Grievance Procedure. An employee may pursue alleged discrimination through procedures established by the Department of Human Resources or Civil Service and shall be entitled to pursue California or federal statutory rights.

Section V – Employee Organizational Rights and Responsibilities

A. Dues and Benefit Deductions Program

1. During the term of this MOU, upon receipt of an executed voluntary written authorization, the City shall deduct Association dues and benefit program premiums from the pay of employees represented by the Association. The form for this purpose shall be provided by the City and the amounts to be deducted for Association dues and benefit program premiums shall be certified to the City by the designated Association official. The City shall charge the Association for each employee five and one-half cents (\$.055) per deduction for Association dues and five and one-half cents (\$.055) per deduction for all other deductions. The dues are based on 26.1 pay periods per year. The supplemental insurance premium deductions shall be based on 24 pay periods per year. The City will accept and modify any deductions regarding dues/fees and insurance premiums upon electronic request from the Association on the form approved by the City by 4:00pm PST on the Wednesday before the end of each pay period.
2. The Association hereby agrees to indemnify and hold the City harmless for any loss or damages, claims, or causes of action, arising from the operation of this provision of the Agreement.

It is the City's intent that NEOs take place as promptly as possible after the first day of employment. 7. The Association's access to new employees will occur after the City's presentation, unless an alternate time is mutually-agreed upon between the Association and Department NEO Coordinator. At all NEOs, the Association shall limit its presentation to a general introduction to its organization, history, by-laws, benefits of membership and to answer questions from the new employees.
8. The Association shall be entitled to distribute informational packets and to sign up members during its twenty (20) minute presentation. At all NEOs, the Association shall not engage in campaigning on behalf of an individual running

for public elected office, ballot measures, or other topics that would be considered beyond general discussion of the benefits of Association membership.

9. The Association NEO Coordinator may request the release of one (1) ALBE represented employee to serve as an ALBE Association representative for the purpose of meeting with new ALBE represented employees during a scheduled Department NEO. The release is subject to approval and will not be unreasonably withheld with the exception of an impact to a Department's operation demands. The requested release will only be approved for the employee's regularly scheduled work hours.
10. The employee shall be paid one (1) scheduled hour at the base hourly rate to include travel time during regularly scheduled work hours. Employees will not be paid to attend the NEO on their off day off or outside of their regularly scheduled work hours. Employees will not be paid overtime to attend the NEO.

The City also agrees to comply with the provisions of Section 1806 of the Long Beach City Charter.

B. Definition of City Obligations

The intent of the parties to this MOU is that the contractual attempt to define City obligations and responsibilities does not, and is in no way intended to, diminish the rights of the Association.

The Association reserves, retains, and is vested with all rights applicable under California and/or federal law or as contained in this MOU.

Section VIII – Amendments to Personnel Policies and Procedures and Department Rules and Regulations

It is understood and agreed that there exists within the City, in written form, Personnel Policies and Procedures and Departmental Rules and Regulations. Before any new or subsequent amendments to these Personnel Policies and Procedures or Departmental Rules and Regulations, directly affecting wages, hours, and terms and conditions of employment are implemented, the City shall meet with the Association regarding the changes in accordance with Government Code Sections 3500 et seq. Nothing provided herein shall prevent the City from implementing rules and regulations provided it has met with the Association as required by law. Employee wages and fringe benefits will not be reduced unless agreed to by the Association.

Each Department shall post on its bulletin board information on the links to the Civil Service and Human Resources Departments of the City where current information on the employee-employer relationship can be obtained through the Internet.

Upon written or electronic request of the Association, any such information not found on, or linked to, the Internet, shall be provided to the Association either electronically or posted on the Internet within 10 business days of the request. Any request for an extension to respond shall not be unreasonably denied.

If an employee's regularly assigned essential job duties are significantly impacted by the introduction of new technology, the impacted employee shall receive appropriate training on the new equipment or new technology.

If technological change results in a reduction in force of employees covered by this Agreement, the City will make reasonable efforts to provide retraining and/or alternate job placement within the City for all affected incumbent employees.

Section IX – Peaceful Performance of City Services

For the life of the Agreement, the Association, its officers, and/or members agree that they will not cause, condone, or participate in any concerted effort which affects the performance

of their assigned duties and responsibilities. This shall include the withholding of services or other interference with City operations, including compliance with the request of other employees and/or labor organizations to engage in said activities.

The City may take whatever action is deemed appropriate provided it does not violate any employee's rights under applicable statutes.

In the event of any concerted effort, the President or authorized representative of the Association shall, within twenty-four (24) hours, publicly disavow such conduct and request the employees to return to work and attempt to bring about prompt resumption of normal operations. The Association shall notify the City within twenty-four (24) hours after the commencement of such work interruption as to the measures taken to comply with these provisions.

This Section shall not be interpreted to limit an employee's statutory or constitutional rights.

Section III - Salary Step / Performance Increases

All salary step increases will become effective on the first day of the pay period in which the employee's anniversary date occurs, unless there is a postponement. In the event of a postponement, the effective date of the step increase will be the first day of the pay period in which the increase is authorized. Step increases will be based on performance as set forth below:

A. Step Advancement

Subject to satisfactory performance, as set forth in Section B below, after an employee has served an initial six (6)-month period of employment in a position at a pay rate designated as Pay Rate Step 1 in the salary schedule established by Section 2 of this resolution, the salary of such employee shall be at the applicable pay rate designated as Pay Rate Step 2; after a second six (6)-month period of satisfactory performance of employment, the salary of such employee shall be at the applicable pay rate designated as Pay Rate Step 3; and after another six (6)-month period of satisfactory performance of employment the salary of such employee shall be at the applicable pay rate designated as Pay Rate Step 4. Thereafter, the pay rate of such employee shall successively be at the applicable pay rate respectively designated as Pay Rate 5, 6, or 7 upon the employee's successive completion of a one (1)-year period of employment at the preceding pay rate. If the initial salary of any employee has been specifically designated at a pay rate other than Pay Rate Step 1, 2 or 3, the employee's pay rate thereafter, shall, upon the employee's successful completion of a one-year period of employment at that pay rate, be at the next successively higher applicable Pay Rate Step.

B. Performance System

As set forth in A above, an employee will advance to the next step of the salary schedule if the employee receives an overall Meets Job Requirements rating on the Employee Performance Appraisal form developed and administered by the Civil Service Department. The rating will be based on the most recently completed Employee Performance Appraisal form. Employee appraisals are not arbitrary or capricious. All parties desire consistency in the appraisal process throughout the City. Performance that may result in ratings below "meets job requirements" should be discussed with the employee as needed throughout the rating period and should also be shared with the employee in a timely manner.

In the event the employee does not receive an overall Meets Job Requirements rating, the employee will not advance to the next successive step. No later than six (6)-months after the original date the step increase was due, the employee will be re-evaluated. If the employee receives an overall Meets Job Requirements rating, the employee shall be advanced to the next successive step. The employee will receive their next step increase in accordance with the provisions of item A above, i.e., either six (6)-months or one (1) year. In the event the employee does not receive an overall Meets Job Requirements rating; the employee will remain on their current step until such time they receive a new evaluation and a Meets Job Requirements rating.

If an employee's Performance Appraisal form is not completed within thirty (30) calendar days after the step increase is due, the employee will advance to the next step retroactive to the first day of the pay period that includes the date the step increase was scheduled.

C. Appeal Process

If an employee does not receive a step increase because of the employee's performance rating, the employee may appeal the rating as follows:

1. A complaint shall be presented in writing directly by the employee to the immediate supervisor within ten (10) working days from the date the employee signs or refuses to sign the Employee Appraisal form, which acknowledges that the employee has read and reviewed the rating. The immediate supervisor will respond back to the employee in writing within ten (10) working days from the date of the complaint was received.
2. If the employee is dissatisfied with the results of the supervisor's written response, the employee may appeal the matter to the Department Head or designee, ten (10) working days from the written response from the supervisor regarding the rating. The Department Head or designee will respond to the employee within ten (10) working days from receipt of the complaint.

3. If the employee is dissatisfied with the response from the Department Head or designee, the employee may appeal by written request to the Director of Human Resources within ten (10) working days from the date of decision by the Department Head.
4. If the matter is submitted to the Director of Human Resources or designee, within twenty (20) working days after the receipt of the written request from the employee, the employee shall review and may conduct investigations and hearings on the matter. Employees called as witnesses will be released from duty as needed.
5. The findings of the Director of Human Resources or designee shall be transmitted only to the parties to the dispute within ten (10) working days from the date of the hearing or proceeding. The decision of the Director of Human Resources or designee shall be final and binding upon all parties and is not subject to the grievance procedure.
6. In all the above steps, the employee is entitled to the same representation as provided for in the grievance procedure.
7. The timelines set forth this provision may be extended by mutual agreement of the parties, and such agreement shall not be unreasonably withheld.

Hours charged to vacation leave shall be excluded and not be considered when determining premium pay under the provisions of this MOU.

C. Compensatory Time Off (CTO)

1. Employees working overtime will be eligible to accrue Compensatory Time Off (CTO) in lieu of receiving overtime compensation for each hour of overtime worked. CTO is earned at one and a half (1.5) hours for each hour worked. CTO may be accrued up to a maximum of forty (40) expanded hours.
2. Banked overtime credits shall not exceed 40.0 expanded hours for any employee at any one time.

(26.67 straight time hours x 1 ½ = 40)

3. Employees will be paid for all accrued CTO annually with the final pay period of each fiscal year or in the pay period immediately preceding a general salary increase. Should an employee promote to a classification with a higher base hourly rate of pay, all accrued CTO will be paid as compensation to the employee in the pay period prior to promotion.
4. An employee wishing to use accrued CTO shall provide the City with reasonable notice of such request. "Reasonable notice" is defined as at least two weeks' notice. If reasonable notice is provided, the employee's request will not be denied unless it would be unduly disruptive to the department to grant the request. A request to use CTO with less than two weeks' notice may still be granted within the discretion of the supervisor or manager responsible for considering the request.

- E. During the term of this Agreement, the City will be reviewing its overtime policies, ordinances and resolutions. During such time, the parties agree to meet and confer over changes to City overtime policies, overtime ordinances and overtime resolutions as required by the Meyers Miliias Brown Act. The Association retains the right to negotiate any changes to the fullest extent permitted by the law.

LETTER OF AGREEMENT BETWEEN THE CITY OF LONG BEACH AND THE ASSOCIATION OF LONG BEACH EMPLOYEES

PAID PARENTAL LEAVE

Subject to approval by City Council, the City of Long Beach proposes to implement the following paid parental leave policy effective the first full pay period of calendar year 2021 or upon implementation of the City’s LB Coast HR system (whichever comes last):

The proposed policy institutes a new program offered by the City which provides 30 consecutive calendar days of Parental Leave at 100% of salary, for the birth, adoption or foster placement of a child, regardless of the gender, marital status or sexual orientation of the parent. Paid Parental Leave may be taken at any time during the twelve-month period immediately following the birth, adoption or placement of a child with the employee.

The leave must be taken in full day increments, and within one year of the date of birth/placement of the child. This type of absence is not charged against the employee’s leave accruals.

Purpose/Objective

All full-time employees eligible for City health benefits are eligible for Paid Parental Leave, for up to 30 consecutive calendar days in the twelve-month period following the birth of a child, adoption of a child, or placement of a foster child in their home. Employees will be afforded the same level of benefit continuation for the period of time that the employee is on Paid Parental Leave as if the employee was on active work status.

The purpose of Paid Parental Leave is to enable the employee to care for and bond with a newborn or a newly adopted or newly placed child.

Eligibility

- Permanent full-time employees eligible for City health benefits; AND
- Employees that have completed six (6) months of full-time City service; AND
- Employees who are the parent of a newborn child; OR
- Employees who have adopted a child or who have had a foster child placed in their home (in either case, the child must be age 17 or younger).
- This benefit shall apply to life events occurring after the effective date of the Paid Parental Leave program.

Amount, Time Frame and Duration

- Employees will be eligible for up to 30 consecutive calendar days (160.0 hours) of Paid Parental Leave at employee’s adjusted hourly rate of pay.

- Paid Parental Leave will be paid on regularly scheduled pay dates.
- Approved Paid Parental Leave may start up to two consecutive weeks prior to and at any time during the twelve-month period immediately following the birth, adoption or placement of a child with the employee.
- The 30 consecutive calendar days of Paid Parental Leave will begin on the first day of Paid Parental Leave used, and in no event shall exceed 30 calendar days within a 12-month period.
- Paid Parental Leave may not be used or extended beyond this twelve-month time frame.
- The City will allow employees to take Paid Parental Leave only in the smallest of increment equivalent to a one-day shift according to their regular work schedule (i.e., no partial days shall be taken under any circumstance).
- In no case will an employee receive more than 30 consecutive calendar days of Paid Parental Leave in a rolling 12-month period, regardless of whether more than one birth, adoption or foster care placement event occurs within that 12-month rolling time frame.
- City employees who are co-parents with another City employee, will each have an individual right to paid Parental Leave.

Coordination with Other Policies

- Paid Parental Leave taken under this policy will run concurrently with leave under the FMLA, CFRA and PDL.
- If a City holiday occurs while the employee is on Paid Parental Leave, such day will be charged as holiday pay and will not be counted against the employee's 30 consecutive calendar days of Paid Parental Leave.

Requests for Paid Parental Leave

- The employee must provide his or her supervisor and the Human Resources Department with notice of the request for leave at least 30 days prior to the proposed date of the leave (or if the leave was not foreseeable, as soon as possible).
- An employee who does not give 30 days' notice must explain why such notice was not practical.
- The employee must complete the necessary Human Resources Department forms and provide all documentation as required by the Human Resources Department to substantiate the request.
- Employees may request to start their Paid Parental Leave up to two weeks prior to the birth/placement of the child.

The City retains the right to review the Paid Parental Leave program at the end of the contract term to evaluate the program's impact on operations. The parties will agree to meet and discuss modifications to the program to address unforeseen fiscal and/or operational impacts.

Applicable MOU Provision(s)

Upon implementation of Paid Parental Leave program, all parties agree to eliminate applicable provisions for the Preservation of Sick Leave (Vacation) During Extended Leave which states:

- *Whenever a permanent employee has requested an extended leave of absence (more than 30 days), the employee has the option to retain up to eighty-hours of sick leave/vacation/holiday pay in the system. However, previously scheduled vacation time may be preserved in addition to the 80-hour limit.*

This provision will be discontinued and removed from applicable Memorandum of Understanding and any other documents, or locations referenced.
